

December

Fabric: 4 colors - one cream, 2 greens and one red

Cut:

- From cream:
 - Two strips 2" x 16"
 - Four squares 4" x 4", cut each along the diagonal to make 8 triangles
- From each of the greens: strip 2" x 16"
- From the red: 7 ¼" square cut across both diagonals to make 4 triangles

Assemble:

1. Sew each green strip to a cream strip, cut into 2", then assemble four 4-patch
2. On each red triangle, add 2 cream triangles to make the flying geese units. Make sure they measure 3 ½" x 6 ½" , trim to size if needed making sure you leave the ¼" allowance at point of goose
3. Assemble four 4-patch to make the center square and add the flying geese units on each side
4. Sew one 4-patch on each side of the remaining two flying geese units
5. Assemble the 3 strips.

HINT: watch the color layout as you go!
