

October block

Fabrics: sky blue and fall flower
Block size (unfinished): 10" x 10"

This block is intended to be constructed using paper-piecing technique, it is very easy and a great way to learn about paper piecing if you have never done it

Cut:

- From the flower color: 3" strips, at least 6" in length
- From the sky blue fabric:
 - 2 ½" strips for the paper piecing
 - 4 rectangles 1 ½" x 4 ½"
 - one rectangle 2" x 8 ½" and one rectangle 2" x 10"

Assemble:

1. Assemble 4 paper piecing blocks using the template
2. On each block, add a 1 ½" strip on the long side
3. Assemble the 4 blocks as per the diagram
4. Add the 2 borders on the block
5. Add a 2" circle for the flower center (be creative!)
